

AN/ALE-47 CMDS

Countermeasure Dispensing Systems

*Part Numbers

Extant P/N: AF1112221

NSN: See Individual Product Descriptions

*Please contact Program Manager or Customer Service for additional information

Product Overview

The AN/ALE-47(V) is the US military's primary chaff and flare dispensing system, and is used on nearly 40 different platforms in 30 countries around the world. Extant has been the USAF prime contractor of the system since 2001 and also has significant experience installing the system in platforms without a self-protection capability.
