

AIM® 205

3-inch Directional Gyro

*Part Numbers

Extant P/N: 505-0031-XXX

*Please see next page for complete P/N listing

Product Overview

The precise and reliable AIM® instrument product line includes the AIM® 205 Directional Gyro, AIM® 520 2" Attitude Gyro, AIM® 1100 3" Attitude Indicator and AIM® 1200 3" Attitude Gyro. The models offer a variety of features, lighting, power configurations, and tilt angles based on operator and platform requirements.

- Azimuth motions of the aircraft indicated on the circular vertical dial, graduated in 5° increments
- 3" bezel mounted from the front or rear in shock-mounted panels
- Input power options: 14 VDC or 28 VDC
- Includes failure warning flag that displays if primary power drops below a preset value
- Integral lighting optional
- TSO-C5c and TSO-C5e
- Optional bootstrap output available
